PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE. OLD PUBLIC OFFICES, BANGALORE.

Press Note

The World Association of Parliamentarians for World Government has decided to convene the Fourth Parliamentary Conference for World Government in London from 4th to 10th September 1954. The Conference will enable Parliamentarians from all over the world who believe in the urgent necessity for an effective World Government to investigate the ways and means of promoting political action to that end. It will also enable eminent non-parliamentarians to add the weight of their counsel to the discussion and to give backing to the resolutions which the Parliamentarians will adopt.

The Right Honourable Clement Davies, Q.C., M. P., President of the World Association of Parliamentarians, has written to the Chief Minister of Mysore extending to him the Association's cordial invitation to attend the conference and to participate actively in it. The Chief Minister, in acknowledging this invitation from Mr. Davies, has said that it would not be possible for him to go to London in view of the ensuing session of the State Legislative Assembly. He has also said that he is in complete sympathy and agreement with the objectives of the conference and has hoped that under the distinguished presidentship of Mr. Clement Davies, the conference will take one more step in the direction of the realisation of the ideal of World Government. He has also wished the conference every success.

INDUSTRIAL TRAINING INSTITUTE.

Reports have appeared in certain sections of the Press that the Industrial Training Institute at Jalahalli will be shifted outside the State, as the State Government are not able to provide suitable alternate accommodation for the Institute, which has to vacate the present buildings occupied by it. There is no truth in these reports. The question of finding suitable accommodation for the Institute is engaging the active consideration of Government for some time past. Government are quite aware of the useful part played by this Institute in imparting Technical and Vocational Training and of the loss the State would incur in case the Institute is removed from the State. Several buildings, both private and Government, in Bangalore and outside, were considered for the location of the Institute and were given up as they were unsuitable for the purpose. However, as classes for the current year have to commence, it has been decided to take two private buildings in High Grounds, Bangalore, on rent for the location of the Institute. The Government of India have given their consent for this arrangement. Action is being taken for the transfer of the Institute to these buildings and for the commencement of the classes.
